

Columbia Senior MLK Village

Atlanta, GA

*Columbia Residential, LLC
123 Units
2.9 acres
42 units/acre*

The 123 unit, 4-story senior project with surface parking was designed at a density of 42 units an acre. Amenities include a porte-cochere, formal living room, conference facilities, dining room with warming kitchen, game room, cafe, library, theater, arts and crafts room, and fitness facilities.

Located within the larger context of a Public Housing revitalization program, the site includes an existing residential tower sited on a large urban greenbelt. The in-town location, less than 1/2 mile from downtown Atlanta, renders the site more valuable to residents and based in its proximity to services, jobs, and transportation systems.
