

Estancia Townhomes
Multi-Family • Urban Infill
Dallas, Texas

ZOM Development
207 Units
13.9 Acres
14.9 units/acre

The development is comprised of single-platted, two- and three-story luxury townhomes with attached two-car garages. The design is influenced by 1930's California Bungalow architecture complete with period detailing throughout. Spanish tile roofs and wrought iron balconies overlook intimate, private courtyards. Amenities include a community clubhouse with pool, fountains, and exercise facility.
