

**Kings Park Office
Commercial Office**
Plano, Texas

*Sandler Southwest Corporation
2.75 acres
56,000 SF Office Space*

Kings Park Office is a 3-story office building over one level of structured parking overlooking an adjacent golf course. The project successfully blends into the lush site by taking advantage of existing contours and incorporating elements of Texas regional design vernacular and detailing. Upon completion, the project successfully met a spartan budget and an aggressive Design/Build schedule.
