One Museum Place is the signature building of the 11 acre Museum Place located at University and West 7th Street in Fort Worth's Cultural District. This 8 story building is truly a 'vertical' mixed use design with 25,600 s.f. of retail at grade and 113,100 s.f. of Class A office on 4 floors above and capped with and 38 luxury condominium units on the top 3 floors. The bold design with its curved glass façade creates a distinct gateway for all of Museum Place while capturing spectacular views of downtown, the 7th Street corridor and the world class museums of the Cultural District.
