

Summer Villas
Multi-Family • Urban Infill
Atlanta Georgia

Realty Development Corporation
321 units
5.545 acres
57.89 units/acre

Summer Villas at Perimeter Summit is a pedestrian-oriented development with all units having views to an adjacent courtyard, park, or street. Human-scaled entry stoops reinforce the pedestrian-friendly streetscape. Residential buildings wrap the parking structure, screening it from the street. Limited retail is included at street level providing services to the community.
